Tyler B. Keegan

Universal City, TX | Tyler@Keegan.me | tylerkeegan.com

Office manager and software developer with experience building laboratory systems, client reporting tools, and iOS apps. Combines software development and IT support with day-to-day business operations.

PROFESSIONAL EXPERIENCE

Wallgren Environmental Services July 2022 – Present
Office Manager | Universal City, TX

- Built an in-house laboratory information management system (LIMS) in Microsoft Access and VBA; maintain and extend it for daily laboratory use.
- Created a client portal with HTML, JavaScript, CSS, and an API backend for access to laboratory data and reports.
- Develop Excel tools used in more than 75% of laboratory tests.
- Maintain IT systems and provide software development and technical support.
- Create and revise invoices, process client payments, and manage accounts receivable.

Eastex Environmental Laboratory April 2021 – July 2022
Office Manager | Nacogdoches, TX

- Produced 500+ client reports and prepared approximately 200 invoices per month.
- Managed sample records, reviewed reporting data for accuracy, and maintained backups in Rubex.

Etech Global Services August 2019 – March 2021
Sales Operations | Nacogdoches, TX

- Resolved 10,000+ customer inquiries, including product questions and technical support requests.
- Converted 25% of inquiries into sales and generated $35,000 in accessory sales.

Avenue Flower Shop & Greenhouse July 2017 – June 2019
Supervisor | Nacogdoches, TX

- Coordinated orders, staffing, and delivery routes; maintained computer systems and provided technical support.

SELECTED APP PROJECTS

- Renfo, Homestead, and iWatch: Independent iOS projects for festival discovery, Home Assistant control, and tracking movies and TV shows.
- Collaborate with Peach Byte Labs, LLC on interface design and development for Reeve Money and DishFork.

TECHNICAL SKILLS

Languages: Swift, VBA, SQL, JavaScript, HTML, CSS

Tools & systems: Microsoft Access, Excel, QuickBooks, Crystal Reports, Rubex
